This newsletter is a safe way to remain updated on plans for the 50th class reunion. We aren't going to sell or share your email address. Our communication with you will be one way unless you choose to respond to the organizing group.

Not everyone wants to be identified by joining the Facebook group. Not everyone wants to participate in the reunion but that doesn't necessarily mean they aren't interested.

If this sounds familiar, then this newsletter is for you!

## October 5 Meeting Update

The organizing group met by Zoom on October 5 and will meet again on October 19.

A Food Committee was created consisting of Catherine (Morris) Brady, Kerry Brown, Suzy (Van Hout) Lindeke, and Tom Salzer. The Committee will report back to the group on October 19.

A missing persons task force probably needs to be created to help find classmates.

Greg Jones reported on golf tournament plans. The holes are laid out for the Auburn course. We will need a head count. Right now, five spots are reserved which equates to 20 golfers.

Financial aspects of the reunion are being led by Kerry Brown and La Jean (Heim) Rohland. Catherine (Morris) Brady is helping with the transition from the 40th reunion account to a new one for the 50th.

Opening a new business bank account is a key step. This becomes a bit complicated because most banks require a business organization to be created and recognized by the State to get a business account. The group is talking about how best to proceed.

We also discussed hiring a photographer for the reunion. The consensus was to seek a photographer and also encourage attendees to take pictures and upload them to the Mt. Rainier Class of 1974 Facebook group. This guarantees we'll get some professional photos and some relaxed, informal photos.

Folks are thinking about a theme for the reunion.
